

## MEMBERS' BREAKFAST TALK cum DIALOGUE WITH PRESIDENT

### Topic : Integrity in Action

#### Synopsis :

The Government has recently established the National Centre for Governance, Integrity and Anti-Corruption. The concept of Integrity is closely interlinked with Governance and Anti-Corruption. Good governance practices in organisations would always include codes of conduct to ensure that the Board of Directors, Management and other employees behave with integrity. The MACC Amendment Act (2018), Section 17A calls for the establishment of adequate procedures by corporations to defend against corporate liability provisions linking them to corrupt acts by their employees, agents and intermediaries. Anti-Corruption procedures will include establishing codes of conduct and the setting up of integrity systems. With these in place, how does one actualise and put integrity into action?

MICG Deputy President, David William Berry will share his insights on how integrity can be practised as an individual and at company level and in your organisation to create a sustainable, ethical corporation for the benefit of all stakeholders.

Following the breakfast talk, there will be a dialogue with MICG President, YBhg Dato' Yusli Mohamed Yusoff. He will share with members on the aspirations of MICG and welcome members' comments, suggestions and other input on enhancing Corporate Governance in Malaysia.
